

Here are some instructions for the game:

1. The game can be played by four or five players.
2. If the player lands on the green space, he or she has to give his/her opinion about it. If the player lands on the red space, he or she has to do what the words say is his/her punishment.
3. If the player lands on the picture of the chicken coop, he or she should wait for another round. It is also for the player who lands on “Go to the Chicken Coop” space.
